

## **HGV2 Driver - Warehouse Technician**

Location - West London

**Cinelease is the international market leader in the rental of lighting facilities to the film, TV and entertainment industries.**

We currently have an exciting opportunity for an enthusiastic 'hands on' HGV2 licensed individual to join the team at our rapidly growing West London base.

Candidates will have a positive, flexible attitude to their work and be prepared to commit to extra hours at short notice in order to maintain the market leading levels of service our customers expect. Consistent punctuality is of paramount importance to the role, a willingness to carry out shift work as and when required is also a requirement.

Some industry experience would be preferable but not essential. If however you are hardworking, take pride in what you do, have an eye for detail, can perform under pressure and are looking for a genuine long term opportunity, then this may be the position for you. You should be able to work both individually or as part of a team and possess excellent communication skills.

Duties will include responsibility for the safe, accurate loading/unloading of vehicles plus the delivery/collection of lighting equipment to studios and locations, predominantly across London and the surrounding area.

Warehouse duties include the scanning-out of products using detailed picking lists; preparation of equipment packages; the unloading, checking and scanning-in of products returning from rental; basic equipment maintenance and preparation; ensuring a clean and safe working environment is maintained at all times.

This is a full time position Monday - Friday 40 hours per week. The remuneration package and benefits are commensurate with experience.

*You should only apply for this position if you are seeking a long term, challenging opportunity which offers scope for both personal development and professional career advancement.*
